RE: In the Matter of Communications Assistance for Law Enforcement Act and Broadband Access Services, ET Docket No. 04-295

Dear Ms. Dortch:

On January 3, 2006, Paul Brigner, Dee May, Joshua Swift and Karen Zacharia from Verizon met with Tom Navin, Kirk Burgee and Ian Dillner of the FCC to discuss Verizon's positions on CALEA for broadband access and voice over Internet Protocol services. The discussion was limited to issues addressed in Verizon's filings in this proceeding and the United States Telecom Association's Petition for Reconsideration and Clarification of November 14, 2005.

If you have any questions about this matter or need more information, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in black ink that reads "Paul Brigner". The signature is fluid and cursive, with the first name "Paul" being more prominent than the last name "Brigner".
